Making You Money: What ASI is all about.

Promotional products, also known as ad specialties, make up a \$19.4 billion dollar industry and are used by virtually every business in America. Why? Items like mugs, pens and t-shirts are memorable and provide a better cost per impression for advertisers than almost every major marketing effort like prime time TV, magazines and radio.

With so many businesses buying ad specialties there is a huge opportunity for professionals looking to make great money running a promotional products distributorship. It's easy and inexpensive to get started and you can work from home.

- A business opportunity to reinvent your career in an exciting field
- Work at home - for yourself - not by yourself
- Make money selling ad specialties
- Partner with a time-tested industry leader
- Get started instantly with all the tools you need
